The Politics of Vengeance--Small Beer Style

I don’t keep a memory for
these things so what-
 ever’s to be sworn

is dodging just sincerity.
Although scattered lineaments
dance through like ghostly
scarecrow limbs and yes it

did involve so and so about
some such wherein what
 was said may be

     always damned
     or supported,
     the in and out-

 side of a dead
 man's glove
